Employment:

- Firestarter Collective - Talent and Development Lead
- Fearless Futures – Diversity Trainer
- Co-founder of VOLO (digital platform that is improving talent through social impact)

Educator and trainer with nearly 10 years' experience leading the development of learners of all ages to unlock their hidden potential, both in education and business. I am also an experienced strategist and client relationship manager, as a result of my time as a technology entrepreneur and I currently lead the People Strategy at an organisation serving hundreds of luxury retail and office brands across Central London.
