<https://www.friendsofstgeorgesgardens.org.uk>
and
- Friends of Russell Square
<http://www.friendsofrussellsquare.org>
- Volunteer at British Museum for 20 years
- Governor at UCLH

“I've seen many improvements in KX since I first came to live here, however in recent years have deterioration in some areas including waste collection, crime and safe streets. I support making life better for pedestrians and cyclists but feel that Camden should not make changes which may benefit cyclists from other areas but make life difficult for local residents.”
